8th Annual Savannah International Boat Show Opens February 26-28

Savannah, GA- At this year's Savannah International Boat Show, attendees will find boats of all makes and models on sale at excellent prices. "If you're thinking about buying a boat anytime in the near future, this is the Show to attend," said Show Producer and President of JBM & Associates, Jacqui Bomar. "With the incredible price reductions from the region's top boat dealers and all the incentives from boat manufacturers, there should be a lot of boats sold at this year's Boat Show," Bomar adds.

JBM & Associates is pleased to announce special features that will entertain the entire family throughout the Show. Captain Don Dingman will be offering multiple sessions of Kids' Fishing Clinics, complete with free fishing gear for every child who participates. A fishing simulator, provided by the GA DNR, allows both children and adults to experience the fun of fishing.
